Hello, everyone! This oneshot does not affect the main storyline and I just realized since it's close to Halloween anyway, this is an appropriate release. I'm currently working on chapter 4 of volume 4 so you can expect that within the next week or so. Being a senior in college blow, real world and all that jazz -_- This is a solo release so I'm not even going to bother with a credits page.

Anyway, thanks to dthnix23 for the raws!

DO NOT post this outside the LJ community. If anyone's going to do that, it'll be me.

This is a work depicting male-on-male romance so if you find this offense, DO NOT READ FURTHER! YOU HAVE BEEN WARNED!
